

Mr. Untouchable
Directed by Marc Levin

This documentary is about the life and times of Nicky Barnes
It is a solid documentary that will not ring any alarms.
It is a heroin selling plot that will keep you twitching
That ends on a hip hop note of stop snitching.
Back in the day we had Eyes on the Prize
And Now!
Kids today get the history of black American wise guys.
But negative hip hop male images are here to stay.
I am just happy that kids today
Know the difference between Nicky Barnes and MLK.
It seems like Mr. Untouchable
is like Common's song, I use to love her.
A metaphor for the journey of hip hop in deed
Where in the in the end, it's all about men and their greed.
When it was over, I needed a blanket like Linus
So I have to give this film another B-
